Re: Post office Closing

I am appealing the closing of the Smyrna, NY 13464 post office due to the fact that it serves many people and would be a hardship for the elderly to get to a post office farther away. Also, I am afraid it will have a negative affect on rural deliveries.

There are two (2) post offices in the township of Plymouth, N. Y, within 5 miles of each other and neither is scheduled for closing. The So. Plymouth Post Office, 13844 and the Plymouth Post Office 13832. It has been brought to my attention that the Smyrna Post Office generates more business than the two Plymouth Post offices.

Please re-consider the closing of Smyrna.

Thank you for your attention to this matter.

Sincerely,

Marie Whaley, 816 German Hollow Road. Smyrna, NY
